## **Online Survey for Veterans Now Available**

### ***The WDVA Urges Veterans, Family Members to Provide Feedback about Benefits, Services***

MADISON – The Wisconsin Department of Veterans Affairs is pleased to announce a new online survey for veterans and their family members to provide feedback to the agency concerning their state and federal veteran benefits. We encourage veterans and family of veterans to take the survey, which only takes a few minutes to complete. The survey can be found at [www.WisVets.com](http://www.WisVets.com).

“Our department is focused on improving our quality of service to veterans and their families, and we need their feedback to help us ensure we are supporting veterans in the most current and effective way possible,” WDVA Secretary John A. Scocos said. “Please take the time to help us improve our service to you, your family and our state’s veterans by completing this short questionnaire. You proudly served our great nation during a time of war, and we owe you the highest level of service, support and gratitude.”

The questions asked are to help the WDVA direct programs, benefits and services. All responses will be kept strictly confidential. The survey is only available online.

Veterans and their family members have until Veterans Day, November 11, 2015 to complete the survey.
