In 1887, at a cost of \$7,265, the City of Waupaca purchased the Greenwood Park Resort Hotel with 78 acres of land on Rainbow Lake and presented it to the Grand Army of the Republic (GAR) to provide for the needs of the Civil War Veterans. From its original enrollment of 50 members, the Wisconsin Veterans Home at King has grown to a community of around 700 members nestled on 320 acres of the richest, most picturesque scenery.

A gem like no other, the Wisconsin Veterans Home at King is where love of country merges with over 125 years of Caring for America's Heroes. All branches of the armed forces are represented here. Each branch has its own esprit de corps, but all are united as Veterans of this great country in a community with camaraderie borne out of shared military experience.

The Wisconsin Veterans Home at King is a long term and rehabilitative care facility serving Veterans and their eligible dependents. We offer quality medical and nursing care which enhances their quality of life.
